

2017 International Conference on Advanced Manufacturing and Design Engineering (CAMDE 2017)

Grand Silverland Hotel & Spa Ho Chi Minh City, Vietnam

November 08-11, 2017

<http://camde.org/>

Welcome to CAMDE 2017

➤ About CAMDE 2017

CAMDE 2017 is aimed at providing a platform for all researchers and engineers to share ideas, highly developed skills and successful practices to others. The conference will be last for 4 days with the reception to be held in the first day to meet and mingle with conference chairs, session chairs and other participants.

We would like to invite you to join us in this important event and share your recent advance development and research finding in Advanced Manufacturing and Design Engineering to all attendees. Besides, it is also a good opportunity for you and your family to enjoy the culture and view in Grand Silverland Hotel & Spa in Ho Chi Minh City. We're looking forward to seeing you in CAMDE 2017.

➤ Join us as Author

If you are interested in submitting and publishing your paper, you are welcome to submit your paper through Electronic Submission System. Should you have any question, feel free to ask us: camde@smehk.org

➤ Join us as Presenter

If you are interested in attending the conference and presenting your research to all the attendees, you are welcome to send the title and abstract of your speech to us through <mailto:camde@smehk.org>

➤ Join us as Listener

If you are interested in attending the conference to know other scholar's research achievements and share with them your ideas, you are welcome to send the registration form (download from the linkage left) to us through camde@smehk.org.

➤ Speakers

Our speakers come from various famous universities:

Prof. Y. Lawrence Yao

Columbia University, USA

Prof. Michael Y. Wang

Carnegie Mellon University, USA

Prof. Etsuji Ohmura

Osaka University, Japan

➤ Publication

(1) All the registered and presented papers will be published in the volume of **IOP Conference Series: Materials Science and Engineering (ISSN: 1757-899X)**, which will be indexed by **Ei Compindex, SCOPUS, Inspec, Conference Proceedings Citation Index – Science (CPCI-S)** (Thomson Reuters, Web of Science) and other databases.

(2) All high quality papers will be selected for a full paper submission for a **special issue of Micromachines (ISSN 2072-666X)**, which will be indexed by **SCIE, Ei compindex, Scopus, web of science** and other databases.

➤ Important Dates

- Full Paper Submission Deadline: July 30, 2017
- Notification of Acceptance: August 20, 2017
- Registration Deadline: September 30, 2017
